EXPERIENCE

Le Wagon, London — Teaching Assistant

JANUARY 2018 - OCTOBER 2018

Responded to students queries and helped solve coding challenges.

Enabled students to understand error messages and fix bugs.

Emphasised the importance of writing clean, well indented and concise code.

Taught why naming variables and methods clearly is vital to good code.

Coached students to use keyboard shortcuts and code snippets to make their workflow more efficient.

Self Employed, London — Carpenter and Cabinet Maker

SEPTEMBER 2011 - APRIL 2016

Ran my own successful business as a self employed cabinet maker and carpenter.

I also freelanced for a bigger company where I demonstrated that I can thrive as part of a team, displaying self management skills and initiative.

Ecole de Cirque, Marseille — Circus Arts Teacher
